# CLEANING / PULIZIA / NETTOYAGE / REINIGUNG

**MAINTENANCE** - Never use for any reason cleaning solutions containing abrasive substances, chloric acids, ammonia, vinegar, bleach, domestic acids, disinfectants, or any type of abrasive pad.

**Warning!** Incorrect cleaning may permanently ruin the surface of the products and in such case the manufacturer may not be held liable for damage.

**MANUTENZIONE** - Non usare mai per qualsiasi motivo soluzioni detergenti contenenti sostanze abrasive, acido clorico, ammoniaca, aceto, candeggina, acidi domestici, disinfettanti o qualsiasi tipo di spugna o panno abrasivo.

**ATTENZIONE!** Una pulizia errata può rovinare in modo permanente la superficie dei prodotti e in tal caso il Produttore non può essere ritenuto responsabile per danni.

**ENTRETIEN** - N'utilisez jamais des solutions de nettoyage contenant substances abrasives, acide chlorique, ammoniacque, vinaigre, eau de javel, acides domestiques, désinfectants ou tout type de tissu abrasif.

**Attention!** Un nettoyage incorrect peut endommager de manière permanente la surface des produits et, dans ce cas, le Fabricant ne pourra être tenu responsable des dommages.

**WARTUNG** - Verwenden Sie niemals Reinigungslösungen, die Schleifmittel, Chlorwasser, Essig, Bleichmittel, Hausalkalisen, Desinfektionsmittel oder andere Arten von Schleifmitteln enthalten.

**Warnung!** Durch eine falsche Reinigung kann die Oberfläche der Produkte dauerhaft beschädigt werden. In diesem Fall ist der Hersteller nicht für Schäden haftbar.
